

## 2017 Summer Internships Programme

We are looking for highly qualified and motivated students interested in labour economics, macroeconomics, social and environmental policies, to work with us on diverse research projects for a 2 month long period between June and September, with an opportunity for extension.

The internships are open for students and graduates who:

- are enrolled in the field of economics or other fields related to IBS areas of expertise,
- master Polish and English and have strong drafting skills in both languages,
- have good knowledge of MS Excel (Stata would be an advantage),
- are interested in enrollment for at least 30h a week, full-time will be an advantage.

Responsibilities:

- assistance to IBS researchers (data collection, report drafting, data presentation),
- carrying out desk research, in particular in the fields of labour economics and public finance,
- research support (data analysis, econometric modelling, results evaluation).

Internees will be offer a stipend of 1500 PLN.

If you wish to apply, please send your CV and a short cover note to [praktyki@ibs.org.pl](mailto:praktyki@ibs.org.pl), including "Summer Internships" in the email's subject line.

The deadline for applications is June 23, 2017.

We retain the right not reply to all applications.
